

Proposal regarding authorization to repurchase and transfer the company's own shares (item 17)

The board of directors proposes that the annual general meeting authorizes the board of directors to resolve upon repurchases of own shares, on one or several occasions prior to the annual general meeting 2018, in accordance with the following.

1. Repurchase shall maximum comprise so many shares that the company's holding does not at any time exceed 10 per cent of the total number of shares in the company.
2. Repurchase may only take place on Nasdaq Stockholm and only at a price within the price range applicable at any given time, i.e. the range between the highest purchase price and the lowest selling price.

The purpose of the authorisation to repurchase own shares is to promote an efficient capital usage and ownership structure in the company.

The board of directors' statements pursuant to Chapter 19, Section 22 of the Swedish Companies Act have been made available together with the proposal.
